

Action Freeze

MUSIC: Students to pose as though playing two instruments. For example, one partner to pose as though playing the piano and the other to pose as though playing the violin.

GRADUATION: Partners to stand facing each other and shake hands.

ART: One partner to stand creating a square shape representing a piece of paper. The other partner should represent the artist painting on the paper.

SCIENCE: Both partners to pose as though pouring chemicals from one container to another.

ENGLISH: Both partners to sit next to each other on the floor, using their hands to create imaginary books they are reading.

SPORTS SCIENCE: One partner pretending to look at an imaginary stop watch and pointing into the distance, the other partner pretending to sprint.

AERONAUTICAL ENGINEERING: Both partners to make a plane shape by standing on one leg with arms out to the side.

LAW: Both partners to sit next to each other on the floor with arms bent and to the sides to represent the justice scales.
